

**SAP Certification Proof Posiflex POS and SAP POS 1.0
Operate Together As Expected.**

Taipei, Taiwan, May. 4th, 2009

Dear Partners,

We are delighted to make this announcement confirming officially from SAP that **Posiflex POS Terminals and Peripherals** configuration meets the requirements for connecting to **SAP POS 1.0**, and acquired the SAP Certification which documented in report **No. 6302795**.

SAP® Certified
Integration with SAP Applications

This is a welcome announcement to those SAP customers who may have been holding back deploying Posiflex Point of Service Hardware in their mission-critical SAP environment. And it is a clear path to start to look at the wider deployment of applications in Posiflex hardware solution.
